SOBI BRAND

Sobi Fish Processing Industries Ltd.

Managing Director

Sobi Fish Processing Industries Ltd.

The Company is fully aware of the FOOD SAFETY concept and sincerely believes of the need of introducing the FOOD SAFETY methodology on the fish-processing establishment for having the confidence on product quality and safety.

On behalf of the company the undersigned have perused the rules and regulation of the USFDA, EU and Bangladesh for fish processors and understood them and giving assurance to follow those to the best of our ability.

Considering the national interest and global expectation the company is determined to fulfill the recent demand of the international markets in respect of quality and safety of fish and fisheries products. The undersigned on behalf of the company is hereby committing to adopt and implement the FOOD SAFETY program in our fish processing plant.

Kazi Belayet Hossain

Our History

Sobi Fish Processing Industries Ltd. is a modern 100% export oriented fish processing plant. The company is located at Natun Bazar by the side of river Bhairab in Khulna city in the south west of Bangladesh. The sea port "MONGLA" is well connected by river and road and it is only at 40 km distance from the factory by road.

Sobi Fish Processing Industries Ltd. established in 1994 as a private limited company. Our brand is well known around the world for its quality. We were the highest export revenue earner in Bangladesh in the year 1998-1999 and 2003-2004.

Sobi Fish Processing Industries Ltd. (BRC Site Code: 1316382) has been evaluated by Intertek Certification Ltd and awarded with GLOBAL STANDARD for FOOD SAFETY certificate which includes the scopes – sorting, grading, freezing of raw shrimps by plate, IQF freezer and packing into printed LDPE bags and laminated card board.
